Survey Monkey	FOPSC	5353Friends	Surveymonkey.com	

For the eWaste Program log on to [escrp.com](http://escrp.com), from the Administrator's page click on the enter the toolkit link, click on eScrip Recycling link, from there you can find our payment information and the link to print labels. Print one at a time, as there will be different tracking numbers on each label, and each label is only good for one shipment.

eScrip also has a link on the coordinator toolkit page, in the upper left corner for a report on our earnings to date.

Amazon Smile does not currently provide information on the amount of donations we've received through the program.
